

SOCIAL AND SUSTAINABLE SKILLS FOR YOUNG NEET POPULATION

ABOUT US

SOSUSK is meant to face the challenge of mobilising a transnational population of European youngsters Neither in Employment or in Education or Training (NEETs), providing them with social and green entrepreneurship skills and competences. The purpose is to ease their match with sustainable opportunities for employment or self-employment.

OBJECTIVES

- To foster the acquisition of **new competences** by the NEETs
- To improve the **social inclusion** of NEETs,
- To ingrain the **green and digital transition**
- To support young people to **transform their ideas into start-ups**
- To **equip organizations with working tools** to invest in young people
- To **create a space for European organizations to network**

PROJECT RESULTS

- 1st PR**
Good practices collection and analysis on innovative digital learning methods.
- 2nd PR**
E-Learning toolkit for green and social entrepreneurship
- 3rd PR**
